IDEAS FOR RECRUITING MORE SENIOR MEMBERS

We are going to try sending some club flyers to various organisations/companies asking them to put them on their staff notice boards.

DISCUSS HOW CLUB DEVELOPMENT PLAN IS DEVELOPING

This is going well. We have already increased the number of club matches by 2 this year. 3 more of our adult members are CRB accredited. The club has lowered its entry age to 8 and this has already brought in more members. We continue to do taster sessions and are going to try sending out club flyers. More juniors are acquiring their grades. The only problem area is finding a suitable coaching course to enable the level 1 coaches to upgrade to level 2. This is ongoing.

There was no other business and the meeting closed at 9pm
